Daughters of Wisdom

Divine Nature in the Celtic Tradition

We create space for people. . . space to meet, space to reflect, space to talk, space simply to be. At the heart of this is hospitality rooted in the tradition and spirit of the Daughters of Wisdom. Our flame logo gives expression to these roots: the warmth of hospitality, the light of the Spirit, the spiral path to Wisdom.

Wisdom Centre

Wisdom Centre is a Ministry of the Daughters of Wisdom, an international Congregation of Religious Women. We offer the Centre at Wisdom House to people of all faiths and none as a sanctuary of peace and tranquillity in a hectic and stressful world.

Divine Nature in the Celtic Tradition

Nature's symbolism can be traced back through thousands of years of Celtic tradition. From the spirals and swirls of the classic Celtic knots, to the Tree of Life. the natural world is more than just the back drop to our lives, it is the creation which 'God so loved that he sent his Son', and is saturated and imbued with the Divine.

This understanding is clearly seen in Celtic Christianity which can be such an inspiration for our own lives today.

On this day we will look at the teachings of the Celtic saints about the Divine presence in nature and the scriptures they based these thoughts on.

Discover more about the world around you and perhaps even experience the Divine in and through nature
