Wisdom Centre

A Ministry of the Daughters of Wisdom

We create space for people. . . space to meet, space to reflect, space to talk, space simply to be. At the heart of this is hospitality rooted in the tradition and spirit of the Daughters of Wisdom. Our flame logo gives expression to these roots: the warmth of hospitality, the light of the Spirit, the spiral path to Wisdom.

Wisdom and Creation

COP 26 is the UN Climate Change Conference, which the UK will host in Glasgow, along with our partner Italy, in November 2021 to bring together world leaders to commit to urgent global climate action. Wisdom in Creation is designed to bring the biblical perspective to this important subject.

St Louis Marie de Montfort writes in his book *Love of Eternal Wisdom*: *"So wondrous is Wisdom's play that it cannot be expressed in human speech. It is most amazingly expressed in the marvellous variety of creatures that she brought forth into this universe. Before even considering the grandeur of the stars, or the infinite variations in human personality, we can begin by admiring the changing moods of the seasons and of the weather, the wide variety of animals and their instincts, the multitudes of plant species, the matchless beauty of each kind of flower, the unique taste of each kind of fruit. "Who is the one to whom Wisdom has communicated Herself? (Hosea 14:10) Only that person will understand the mysteries of nature."*
