Today's fundraising tea is to support the spiritual development of the Friends of Wisdom, who live and minister according to Wisdom's values of inclusive love, community, hospitality, gentleness, peace, justice and care of creation.

About the Friends of Wisdom. Seeking the power and Wisdom of God as a force for good, the Friends of Wisdom is an ecumenical international community of women and men who participate in the spirituality and mission of the Daughters of Wisdom, a Congregation of Sisters originating from France and founded in 1703 by St Louis Marie de Montfort and Blessed Marie Louise Trichet.

Coming from different walks of life and spiritual traditions, the Friends maintain their family relationships, lifestyles, employment, independence, and personal commitments. Their desire is for a deep realization of God's love for them, others and creation and to be the face of Christ Wisdom in the world. They aim to answer Wisdom's call and respond to others through their own gifts, work and circumstances.

For the Friends of Wisdom, their spiritual journey is an encounter with Jesus Christ through Biblical Wisdom literature. With the Sisters they share in the spirituality, mission, and history of the Congregation. Welcoming and inclusive, they are encouraged to seek Wisdom in their personal spirituality, life experiences and encounters with others.

You are most welcome to request information about the Friends of Wisdom, the Daughters of Wisdom and their founders, St Louis Marie de Montfort and Blessed Marie-Louise Trichet.
