Wisdom Centre

A Ministry of the Daughters of Wisdom

We create space for people. . . space to meet, space to reflect, space to talk, space simply to be. At the heart of this is hospitality rooted in the tradition and spirit of the Daughters of Wisdom. Our flame logo gives expression to these roots: the warmth of hospitality, the light of the Spirit, the spiral path to Wisdom.

Bearing Good Fruit - Healing the Family Tree

The Bible begins and ends with reference to a tree. Trees and their fruit are mentioned throughout Scripture. Our Family Tree can help us to understand both our personal history and those parts that are in need of being offered to God, or our own idea of spiritual higher power for healing. Jesus asks us to produce good fruit (Luke 6.43-44) and shows us the way to break the cycle of family dysfunction, a work in progress for all of us. Through prayer and study of the Bible, we can reflect daily on what Jesus asks of us, examining our lives and pruning negative patterns that keep us from flourishing. In a process which is gentle both on ourselves and others, we are invited to grow in faith and gain wisdom and direction so that we can be put on the way to becoming the fruitful people God would have us be. We can then take this fruit out into our broken world, that it too, may find wholeness and healing.

Facilitator: Lisa Rodrigues: Lisa is an Anglican priest who was formerly a lawyer, lecturer and writer. She believes that as God's Kingdom dawns we are all called to wholeness and healing.
