Wisdom Centre

A Ministry of the Daughters of Wisdom

We create space for people. . . space to meet, space to reflect, space to talk, space simply to be. At the heart of this is hospitality rooted in the tradition and spirit of the Daughters of Wisdom. Our flame logo gives expression to these roots: the warmth of hospitality, the light of the Spirit, the spiral path to Wisdom.

The Gospel of Thomas
A Day of Reflection

What are the sayings of Jesus discovered in the Egyptian desert in 1945? The Gospel of Thomas, by Thomas the Apostle, is one of fifty-two ancient texts discovered at Nag Hammadi, in a tall sealed jar.

Thomas' Gospel resonates deeply with the parables in the traditional Gospels and sits within the contemplative tradition. According to Thomas heaven is not a future reality, it can be found here on earth by seeking the essential goodness of our own humanity. Indeed, by seeking unity within ourselves we are able to work together to create a unified world. According to tradition, St Thomas established the Church in India. It is therefore not surprising to find the Gospel of Thomas has become a guide to spiritual practice for those seeking common ground and engage in interreligious dialogue and teaching.

There are quiet times through the day to walk, reflect, read, pray and create.
