Wisdom Centre

A Ministry of the
Daughters of Wisdom

We create space for people. . . space to meet, space to reflect, space to talk, space simply to be. At the heart of this is hospitality rooted in the tradition and spirit of the Daughters of Wisdom. Our flame logo gives expression to these roots: the warmth of hospitality, the light of the Spirit, the spiral path to Wisdom.

Community Café

A Simple lunch at the Wisdom Centre Café, a safe space where all are welcome at the table.

This friendly cafe aims to bring groups and individuals together for an informal lunch. Wisdom Centre has screens for tables should these be needed. Hand gel is provided at every table. The small requested donation of £6.50* covers your lunch choice including soft drink, dessert, tea and coffee.

At Wisdom's Café, we value including everyone, we have a disabled lift, a food allergy/ intolerance friendly menu and a warm welcome whether you are looking to meet new people, spend time with friends in a safe accessible space or sit and enjoy your lunch in a peaceful spot, perhaps in the garden, or at a designated 'quiet' table.

Wisdom Centre is a ministry of the Daughters of Wisdom. In the wisdom writings of the ancient Near East and in Christianity, 'Wisdom' is associated with the hospitality of a shared table. In ancient times a banquet was an occasion to share wisdom, with nourishment for both body and soul. You don't need any particular beliefs to come to our Café, just the desire to receive a warm welcome.

***Suggested donation £6.50**. If you feel this is unaffordable please give what you can. If you feel you can give a little more you will be supporting those of lower means.

Wisdom Centre is set in beautiful gardens, including a Labyrinth, which you will be able to enjoy during your visit, or at any time.

Wisdom Centre is entirely non-profit making. **Our suggested offering of £6.50 includes your lunch choice, dessert, tea or coffee.**

Safeguarding: The Congregation of the Daughters of Wisdom is committed to promoting and implementing the safety and wellbeing of children and adults. We start from the principle that each child and each adult has a right to expect the highest level of care and protection, love, encouragement and respect.
