Wisdom Centre

A Ministry of the Daughters of Wisdom

We create space for people. . . space to meet, space to reflect, space to talk, space simply to be. At the heart of this is hospitality rooted in the tradition and spirit of the Daughters of Wisdom. Our flame logo gives expression to these roots: the warmth of hospitality, the light of the Spirit, the spiral path to Wisdom.

Action and Contemplation: Exploring Richard Rohr

Now in his 80's, Richard Rohr OFM is an American Franciscan friar, Catholic priest, and prolific writer on Christian spirituality. His work has long divided opinion, with many – not only Christians, but also those who would not identify as such, finding his work spiritually nourishing, and sometimes lifechanging. Others, especially those from more conservative Christian traditions, criticise Rohr even, in one case asserting that he is guilty of subverting the 'biblical worldview with most egregious errors.'

We'll spend a day exploring this interesting, but sometimes controversial figure. We'll look at Rohr's life and development, influences, unfolding ideas and key themes. We'll also examine some of the arguments used against him and aim to present a balanced view of this consistently interesting and thoughtful man.
